**Finding the best fit is a combination of following your Heart and listening to your Head: culture, community, curriculum or identity, interests, and ideas.**

## College Consortiums

Collaborations that achieve educational objectives in conjunction with other institutions. This can be a great way to find a good fit among differing schools.

Claremont Colleges  
Tri-County

Atlanta University (HBCU)

5 College Consortium

1

### CULTURE

How do you see yourself? What is the mission and history of the school?

2

### COMMUNITY

Who are the people? What is the physical space of campus like?

3

### CURRICULUM

What do you like to study? Is your major available? Can you graduate in 4 years?

## Identity

How do you see yourself? How do others see you?

## Interests

What do you like to do when you have time?

## Ideas

What do you like to think about? What motivates you?
